Fish-curing yards - Private - Opening of -

Ref.- G.O.No.MS.2095 Development, dated 15-9-37.

In the G.O. read above the Government have sanctioned the staff required for the two private yards to be opened at ~~Kax~~ Kidiyoor and Malpe. The District Medical Officer, South Kanara has approved of the sites required for those yards. At the instance of the applicants for the yards, I addressed the Collector of South Kanara urging him to assign the plots for which they had applied so that the yards may be opened during this fishing season. The Collector now informs me that all assignments remain stopped under the orders of Government and that he is unable to comply with my request.

2. One of the applicants for the private yard has already collected materials for the construction of his yard and the fishing season also has commenced. In the circumstances I have the honour to request that the Collector may be authorised to assign the plots as a special case to Messrs. Annayya and Sesha Markala at an early date.
